MANUFACTURED THREADED RODS

Triangle manufactures a variety of double-end threaded rods, also known as studs. Our most popular sizes are 5/16-24 and 3/8-24.

Triangle's industrial threaded rods are manufactured in the USA. They are made to fit a wide range of applications in agriculture, lawn and garden, HVAC, automotive, construction, solar, conveying, food processing and recreational vehicles.

Standard Threaded features:

Thread sizes: 5/16"-24 and 3/8"-24

Lengths: 6 inch, 12 inch and 18 inch and more

Right hand thread, Left hand thread w/indicator

Rolled for added strength and accuracy

Zinc Plated Carbon Steel
